

High School Programme

MLI International Schools are delighted to update you on our High School Programme offering students the opportunity to study for an academic year in an Irish High School.

The MLI High School Programme is open to students aged 12 to 18 and offers them the opportunity to study at a number of high schools in Dublin City and throughout Ireland.

The MLI team has a wealth of expertise and experience in placing students into Irish schools; we offer the best advice, training and support, from pre-application stage to the end of your client's stay.

Ireland offers students the ideal location to take part in a High School Programme with its long and distinguished tradition in education, which continues to present day. Ireland is now renowned as a location where students receive a quality education at a competitive price in a very friendly and safe environment.
